Job Title:

CDL Class A Truck Driver – End Dump / Rock Hauling (Local)

Location: Wichita, KS

Position Type: Full-Time (Local)

Schedule: Home Daily | Monday-Friday

CDL Class A Driver – Local End Dump Hauling

We're looking for a reliable and experienced **CDL Class A driver** to haul rock, gravel, and other aggregates using an **end dump trailer**. This is a **local position** — you'll be home **every night**.

Key Duties:

- Haul materials to and from local job sites
- Safely operate an end dump trailer
- Perform pre-trip/post-trip inspections
- Maintain logs and follow DOT regulations
- Communicate with dispatch and site personnel

Requirements:

- Valid CDL Class A license
- 1–3 years' tractor-trailer experience
- End dump experience preferred
- Clean driving record & knowledge of DOT rules
- Dependable, safety-focused, and punctual

Benefits:

- Weekly pay
- Competitive compensation
- Home daily
- Safety bonus (every 6 months)
- 1 week paid vacation after 1 year

Driver Application Questionnaire:

Thank you for your interest in driving with us! Please fill out the information below to help us better understand your experience and fit for the position.

Experience & Background

- How long have you held a **CDL Class A license**? _____
- Are you at least **25 years old** (required by insurance)? _____
- Do you have experience hauling **rock, sand, or other aggregates**? If so, how many years? _____
- Have you pulled an **end dump trailer** before? What kind(s)? _____

- What kind of driving are you most familiar with: **local, regional, or long-haul**? _____

- Any experience hauling for **construction sites or job site deliveries**? _____

- Does your CDL have any **restrictions**? If yes, please explain. _____

Safety & Compliance

- Can you briefly describe your **pre-trip and post-trip inspection routine**? _____

- What do you do if a **load shifts** or the trailer feels unstable? _____

- Have you ever had a **DOT inspection** or been involved in an **accident**? What happened, and what did you learn? _____

- How do you handle **bad weather or rough terrain** at job sites? _____

Skills & Equipment

- Are you comfortable **backing into tight spots** or unloading on uneven ground? _____

- Do you have experience with both **manual and automatic transmissions**? _____

- Have you ever **troubleshooted or fixed** minor mechanical issues on the road? _____

- Do you know how to operate other **trailers or heavy equipment**? _____

Work Ethic & Reliability

- Are you okay with **early mornings (as early as 5:00 AM)** or a **flexible schedule**? _____
- How do you handle **delays** or **downtime** at job sites? _____
- What helps you stay **focused and alert** during long or repetitive routes? _____
- Have you had a conflict with **dispatch or a foreman** before? How did you handle it? _____
- How well do you follow and retain **instructions**, especially when working alone? _____
- How do you typically respond to **feedback or direction** from dispatch or supervisors? _____

Availability & Compensation

- Are you looking for **long-term or seasonal work**? _____
- Do you have any **scheduling restrictions** or **time-off needs** coming up? _____
- This position pays **26% commission** on what the truck earns. Are you comfortable with that? _____
- We **do not offer health or retirement benefits**. Is that a dealbreaker? _____
- Work slows down in winter (up to 2–3 weeks off). Are you okay with that financially and professionally? _____
